SOMETIMES, THE LITTLE THINGS ARE REALLY THE BIG THINGS

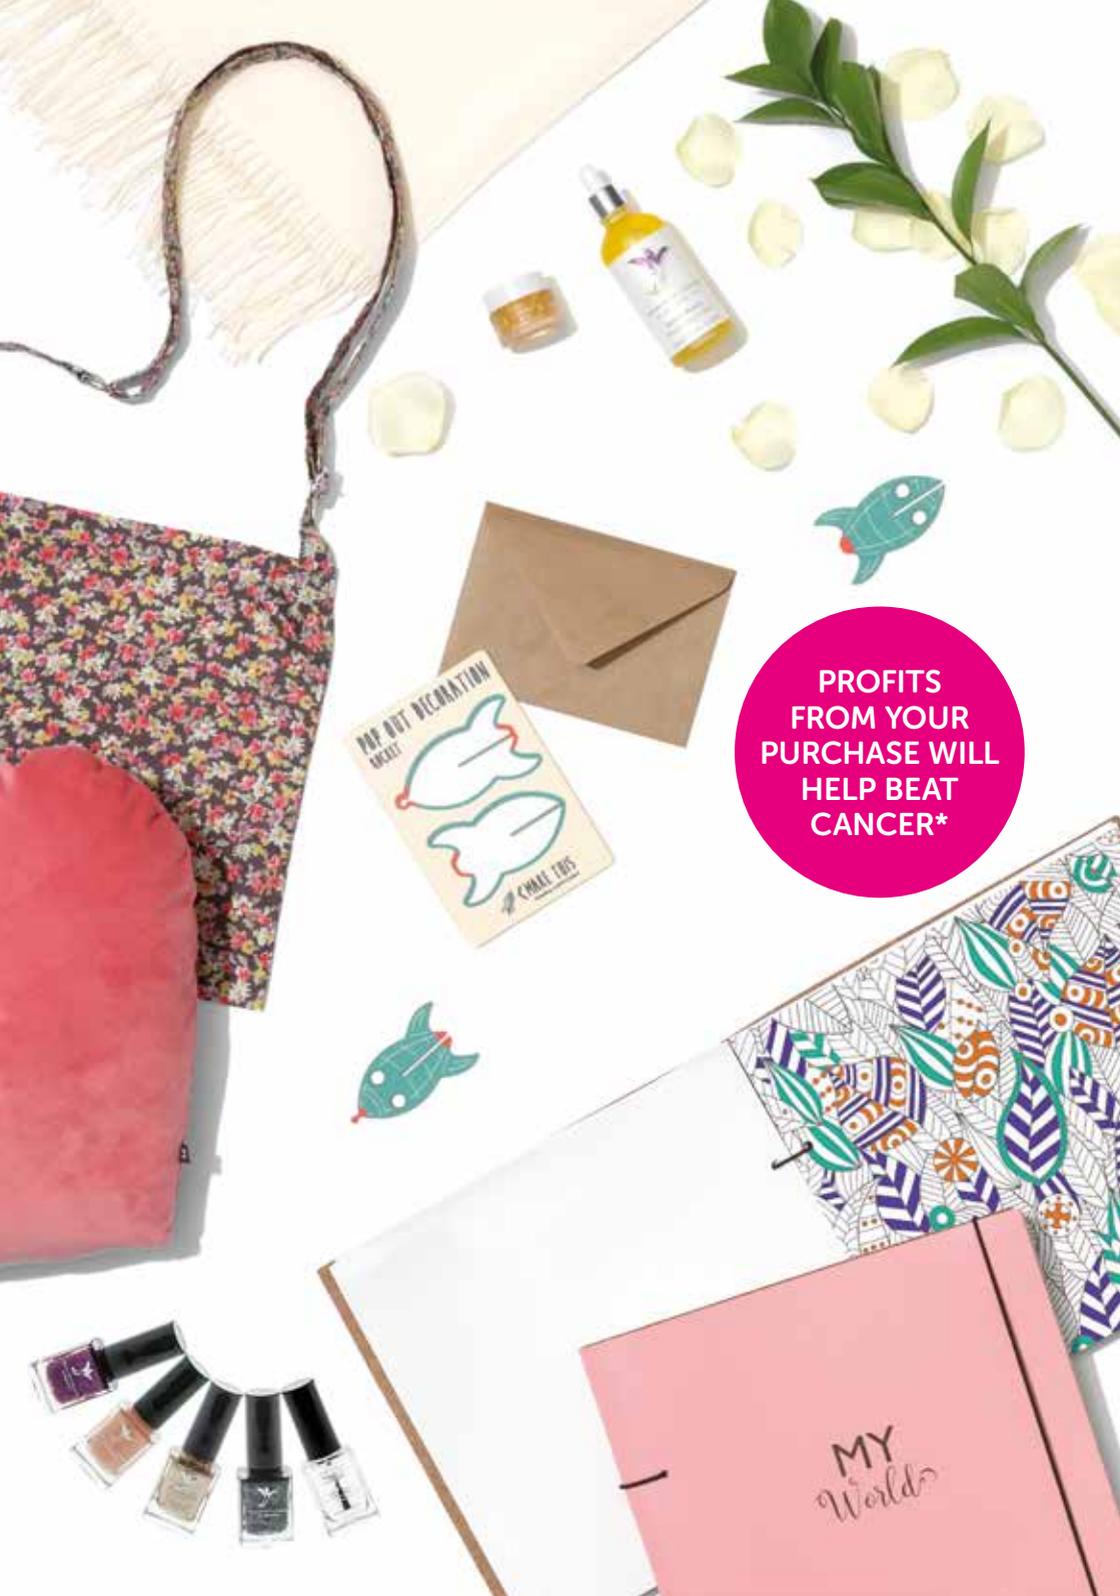

Everyone has their own ways of making life with cancer that little bit easier. Perhaps yours is the film you can lose yourself in after a tough day of treatment. The skin cream you swear by. Or the mastectomy bra that gives you your confidence back.

We know how much these helpful little things matter, so we've selected a whole range of them. Many of our products were specially designed for people living with cancer, and come highly recommended by our cancer community.

"The moisture cleanser is really gentle, it's been the only thing I've used to cleanse my face whilst having really bad chemo rash."

Sarah, Swadlincote

**JENNIFER YOUNG®
DEFIANT BEAUTY
3 IN 1 MOISTURISING
CLEANSER MASK**

If you're looking for a gentler way to wash your face, this multi-tasking balm acts as a luxurious cleanser, moisturiser and face mask for sensitive skin.

£14.99

SOOTHING SKIN CARE

£17.49

£34.99

JENNIFER YOUNG® DEFIANT BEAUTY ITCHY SKIN OIL 100ml

If your skin is dry and itchy after treatment, this organic oil could give you some relief. The herbal oils are known for their soothing properties so you'll feel more comfortable in your own skin.

LINDI SKIN® NATURAL SOOTHING AND COOLING ROLL 318ml

If radiotherapy has left your skin sore, this hydro-gel roll is a great way to cool and cover the inflamed area. The roll is infused with aloe and green tea, to soothe your skin while you recover.

Please consult your doctor or healthcare professional if you're unsure about using a product and always read the labels, warnings and directions that come with it.

Chemo and radiotherapy can take their toll on your skin, but there are ways to speed up your skin's recovery. To help you find the right remedy for you, we've specially selected these skin soothers.

£12.49

URIAGE SOOTH AND RELIEVE GEL 100ml

You may find your skin feels tingly and tight after treatment. If it's starting to bother you, this non-greasy gel can provide an instant feeling of freshness and relief.

£13.99

EUCERIN REPLENISHING BODY CLEANSING WASH 40ml

If you're struggling with very dry skin, this gentle body wash can help you shower without washing away your skin's natural protective barrier, helping to restore damaged skin.

YOU CAN VIEW OUR FULL RANGE OF SKINCARE PRODUCTS AT cruk.org/cancer-care

If your treatment causes you to lose your hair, just remember that the people closest to you will not see you any differently as a person. Talking to your loved ones could help you cope with hair loss – and help them support you.

HIPHEADWEAR® CHIFFON BANDANA

If you're looking for a fashionable way to cover your head, this scarf can be styled in many ways. The breathable bamboo viscose fabric will also keep you feeling cool throughout the summer months.

COPING WITH HAIR LOSS

£14.99

£11.99

PHYTO DENSIFYING TREATMENT SHAMPOO 200ml

If your hair is starting to thin, this shampoo can help restore it to a healthier condition. The grapeseed formula strengthens each strand to give your hair, and your confidence, a boost.

EUCERIN DERMOCAPILLAIRE SCALP TREATMENT 100ml

If chemo has left your scalp dry and itchy, this intensive treatment can give you some moisturising relief. The formula is also fragrance-free, so it won't make you feel queasy.

Everyone's experience of hair loss is different. Some people feel more confident covering their head, while others choose to leave their head exposed. Whatever you decide, this range can help you cope with hair loss your way.

£9.49

HIPHEADWEAR® MEN'S REVERSIBLE BEANIE

If you'd rather cover your head, this lightweight men's beanie could give you the little confidence boost you need to socialise without feeling self-conscious.

£12.49

HIPHEADWEAR® KID'S BANDANA

This soft bandana with a cute bear print could be the perfect little pick-me-up for a child with hair loss. The soft and comfy fabric keeps the cold at bay too.

EASE RECOVERY WITH A POST- SURGERY BRA

When you're healing up after a mastectomy or lumpectomy, a breathable bra can make a tough time that little bit more comfortable.

£29.99†

ROYCE SILVER POST-SURGERY BRA

If you're looking for a way to aid your healing process, this bra has been developed from anti-bacterial X-STATIC silver fibre. You can wear it immediately after surgery, and the cups feature a pocketed area if you wish to use breast forms.

*Subject to VAT exemption eligibility

Most people find that their wounds take about 2-3 weeks to heal – you might feel tired, bruised and swollen during this time. So try and let yourself have plenty of rest and avoid any heavy lifting.

£33.99†

THEYA HEALTHCARE FRONT FASTENING POCKETED BRA

When you've just had surgery, reaching behind you to fasten your bra may be painful. So this bra is front-fastening, helping you adjust it around any swelling and feel more independent.

£11.49†

TRULIFE INITIAL SOFTIE BREASTFORM

If wearing a breast form would help you feel more like yourself, this hypoallergenic form is designed for use after surgery. You can adjust it to create a fullness that feels natural for you.

YOU CAN VIEW OUR FULL RANGE OF POST-SURGERY BRAS AT [cruk.org/cancer-care](https://www.cruk.org/cancer-care)

POST-SURGERY COMFORT

In the weeks after having surgery, everyday movements can feel sore and uncomfortable. But there are some great products available to keep those unnecessary aches and pains at bay...

£9.99

SEATBELT PROTECTOR

After an operation, even wearing a seatbelt can be uncomfortable. This protector is cushioned to protect the breast, chest, and abdominal area – letting you carry on with your daily life.

£9.99

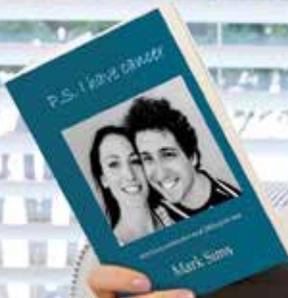

DRAIN BAG

In the weeks after your operation, you may still have your surgical drains in. This shoulder bag can store your drains out of sight, so you can get out and about.

YOU CAN VIEW OUR FULL RANGE OF POST-SURGERY COMFORT AT [cruk.org/cancer-care](https://www.cruk.org/cancer-care)

"The heart pillow has honestly been my best friend since my surgery. I have been left with a very swollen breast so it's given me comfort, especially through the night."

Sarah, Swadlincote

COTTON HEART TIE CUSHION

After surgery, you may find that the movement of your arm rubs your scarring. So this super soft cushion can be fitted snugly under your armpit to help create a bit of a buffer from those everyday bumps.

£10.99

FIND THE RIGHT MASTECTOMY UNDERWEAR FOR YOU

Whether you're looking for support, shaping or style, treating yourself to a mastectomy bra can make a big difference to your underlying confidence.

**AMOENA ISADORA MESH
POCKETED SOFTCUP BRA**

If you have a fuller figure, this bra could give you the extra support you need. The decorative embroidery adds elegance, and the bra can hold a breast form or partial shaper.

**AMOENA KAROLINA
POCKETED PADDED LACE BRA**

For a little extra shaping, this bra is lightly padded and has pockets to hold breast forms securely in place. Its classic Hollywood design is striking and feminine – helping you feel your best.

YOU CAN VIEW OUR FULL RANGE OF MASECTOMY BRAS AT cruk.org/cancer-care

†Subject to VAT exemption eligibility

Over time, the scars from your operation will become less obvious. If you have any concerns about how you look or feel, you can call our Cancer Research UK nurses for a chat on **0808 800 4040**, Monday to Friday, 9am to 5pm.

AMOENA MELODY POCKETED SOFTCUP LACE BRA

If you're looking for feminine underwear, this non-wired bra could give you both confidence and comfort. The cups allow space for you to wear a breast form or partial shaper if you'd like to.

£29.99†

DIVE INTO THE DEEP END

Whether you're jetting away on holiday, or just fancy a dip in your local pool – you deserve to feel your best. Our range of mastectomy swimwear can help you do just that, with hidden shaping and support if you want it.

£37.99†

AMOENA AYON POCKETED SWIMSUIT BLACK/WHITE

If you're self-conscious about swimming, this high neckline swimsuit could cover your surgery scars and give you a little confidence boost. The criss-cross front is very on trend.

£49.99†

AMOENA MEXICO POCKETED SWIMSUIT

If you're not afraid of making a splash, this vibrant jungle print swimsuit is bound to brighten up your day, and the soft cupped pockets can hold swim forms to boost your confidence.

It can take some time to adjust to a new body shape after surgery, and everyone approaches this in their own way. If you'd like to speak to others in a similar situation and swap advice, go online to our Cancer Research UK forums at cruk.org/cancer-chat

£62.49†

ANITA FRASCATI CARE POCKETED SWIMSUIT BLACK

If your self-esteem has taken a knock, this high-neck, flattering swimsuit could be just what you need to feel your best on holiday. The opaque cups also discreetly provide shape and support.

£67.99†

ANITA BELEM CARE POCKETED SWIMSUIT TROPICAL VIBES

If you'd like a swimsuit that lifts your spirits, this 'tropical vibes' one piece brings a burst of colour to any getaway. You can also adjust the neckline and straps to ensure a comfortable fit.

MIND RELAXATION

There's no right or wrong way to feel about living with cancer. Everyone is different and you'll deal with things in your own way. However you're feeling, this range of products can help you gather your thoughts and relax.

RECYCLED LEATHER PLANNER AND SCRAPBOOK

Living with cancer can bring up a whole range of emotions. Writing down your thoughts, feelings and experiences in a planner can be a therapeutic way to solve problems and deal with stress.

SCRAPBOOK: 'MY MEMORIES, THOUGHTS AND MOMENTS'

Whatever you're feeling, putting pen to paper can often help you gather your thoughts. You can take this compact A6 scrapbook with you wherever you go – it's a safe space for your thoughts.

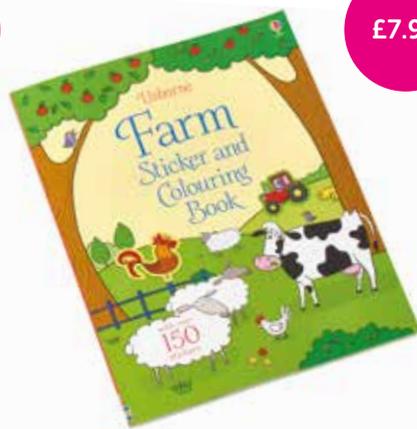

Some people find it helps to take each day as it comes and not think ahead too much. Setting small daily goals can help you take care of your mental health – even if it's just getting some fresh air or calling a friend for a quick chat.

£5.99

USBORNE MANDALAS COLOURING BOOK

With 32 mandalas to choose from, this colouring book will provide hours of relaxation. As well as helping you express your creative side, colouring-in can be very calming.

£7.99

CHILDREN'S FARM STICKER AND COLOURING BOOK

This activity book can help keep little ones occupied while they visit loved ones or wait for treatment themselves. It's also a great on-the-go activity for travelling to and from hospital.

PREPARING FOR HOSPITAL

Long stays in hospital can be tough and tedious – a few home comforts might make a big difference. This range of products can help you stay in touch with your loved ones, rest, and take your mind off things.

£13.99

£49.99

REISENTHEL COMPACT TRAVEL HOLDALL

This handy holdall allows you to pack everything you need for an overnight hospital stay. And with a 30-litre capacity, it's got space for a few little luxuries too.

REISENTHEL TRAVEL TROLLEY

Take the hassle out of travelling to hospital with this travel trolley. With a spacious 43-litre capacity for your essentials, you'll always be prepared.

"When you're in hospital and you're laying down in bed, you don't want to have to constantly hold up a tablet all the time, the iBeani is definitely a great little thing."

Ethan, London

£23.99

iBEANI TABLET BEANBAG STAND

Prop up any tablet with this compact travel bean bag. So there'll be no straining to hold your device while you get lost in your favourite film.

£34.99

VEHO PEBBLE EXPLORER PORTABLE POWER BANK CHARGER IN BLACK

Being able to speak to your loved ones during treatment can make a world of difference. With this portable battery, you can keep your mobile phone or tablet fully charged when you need it most.
