

BOWEL CANCER SCREENING SAVES LIVES

The test can detect invisible early signs of bowel cancer.
Taking part is easier than you think.

If you've been invited to take part and need more information
or a new test kit contact:

Aged 60 – 74?

The NHS Bowel Cancer Screening Programme offers screening every two years to all men and women aged 60-74, who are registered with a GP. You will automatically receive a test kit in the post with instructions.

Aged over 74?

If you would still like to take part, call **freephone 0800 707 6060** to request your free test kit.
