

Bowel cancer screening saves lives

The test can detect invisible early signs of bowel cancer. Taking part is easier than you think. If you've been invited to take part and need more information or a new test kit call:

freephone 0800 707 6060

nhs.uk/bowel

Who gets invited?

If you're registered with a GP and aged 60–74 you will receive a test kit in the post every two years. England is gradually expanding the programme to include 50–59-year-olds.

If you're over 74 you can call **0800 707 6060** to request a free test kit.
